

ICHSM 2020

2020 3rd International Conference on Healthcare Service Management

August 14-16, 2020 | Kamakura City, Japan

Theme-Health Informatics Vision:
Empowering Ecosystem Services throughout the World

Conference Introduction

2020 3rd International Conference on Healthcare Service Management (ICHSM2020) will be held in **Kamakura City, Japan** during **Aug 14-16, 2020**. The mission of ICMHI/ICHSM is to foster and conduct collaborative, interdisciplinary research all over the world. We also provides the keynote address and several plenary invited speeches for discuss the most recent innovations, trends, and concerns, practical challenges encountered and the various solutions in the fields of healthcare service management.

We think a face-to-face dialogue for Infectious Diseases and Clinical professionals is needed now more than ever, as this is an important opportunity to share the latest findings and public health experiences on the current COVID-19 outbreak first-hand. All authors are welcome to submit the state-of-art research results of microbiology and public health, especially the researches of latest COVID-19. We will collect some excellent papers to our special issues and wave the conference registration fee as well.
